

Why are you applying for Financial Aid?

I am a student from India and want to learn Data Science with Python. I think it will be beneficial for my thesis work and future also. I belong to a middle class family. I don't have enough means to pay the said amount. Because, my family income is too meager in this regards. And I have no job of my own to carry the expanses to pay for the certificate of this course. It's really impossible for me to pay for this course. I don't have any Income source right now. In this circumstance, it is very much difficult for me to gather such amount of money for the certificate. Financial Aid will help me take this course without any adverse impact on my monthly essential needs. So I am badly in need of this financial aid. I want to take this course as I want to complete the Data Science with Python Specialization on Coursera.

How will taking this course help you achieve your career goals?

My main career goal is to learn Data Science. I really want to learn and to progress in my career. Programming requires constant learning and improving. Taking course Version Control with Git can help me advance in my knowledge. This Course will boost my job prospects after graduation from my institute. A verified certificate will attach credibility to the certificate I receive from this course. I believe in the importance of earning a college degree. Therefore, I plan to work extra hard to obtain knowledge on Data Science. I plan to complete all assignments on or before time. Also I intend to participate in Discussion Forums, which I have found to supplement my learning immensely in the other online courses I have taken on Coursera. I also plan to grade assignments which are to peer reviewed which I believe will an invaluable learning opportunity. Courses on Coursera helped me to greatly increase my programming knowledge in the past.

Would you consider using a low-interest loan to pay for your courses?

I am Currently Unemployed and not having any income source to pay loan amount so I am not sure to take loan for courses.
